

2010 EverGreen Farm CSA Membership Sign-up Form

For more information regarding EverGreen Farm and our Community Supported Agriculture (CSA) Memberships, please refer to our website or give us a call.

Our plans for this coming season are very similar to how we operated in 2009. Please read the following details so there will be no surprises or disappointments. Call if you have any questions.

Our goal for the 2010 CSA season is to begin deliveries the first week of May and go through the end of October. You will receive at least 20 deliveries of fresh produce over this 26-week period. During this time, we will take 4 “Sorry, No CSA delivery this week” vacations (dates yet to be determined). We are also giving ourselves 2 weeks flexibility in the schedule in case of weather related or unforeseen complications.

There are only a limited number of farm memberships available for purchase, which will be sold on a first-come, first-serve basis. Please sign up ASAP. *Membership availability will be posted and updated on our website. A notice will be posted when the maximum limit has been reached. Late applications will be returned.*

Cost of a 2010 membership is \$550. A *minimum* payment of \$200 will reserve your membership. The remaining \$350 is due by April 1, 2010. *All membership fees are non-refundable.*

It is our experience that a weekly “share” of produce is what a medium sized family might consume, keeping outside vegetable purchases to a minimum. A share may also be appropriate for two adults who are determined to eat a lot of vegetables. *A CSA share may be split; however, all arrangements such as how to split the cost, pick up the food and then divide it are to be made directly between interested parties.*

Members are responsible for picking up their produce from one of our designated pick-up locations. Exact locations are yet to be finalized; however, we plan on having pick-up locations in Smoot, Afton, Etna, and Jackson. The handling of any remaining produce will be left to our discretion. Pick-ups will be on Tuesday evenings.

EverGreen Farm is also accepting applications from those interested in our Workshare Program. A “Workshare” is someone who commits to working on the farm in lieu of paying for a membership. If interested, please contact us directly.

Please mail this form with your payment to:
